Rasmuson introduced Alex Bersie, who was recently hired in the Assessor's Office as a Property Appraiser. Bersie was welcomed.

Recognize Keith Triplett for Attaining the Senior Accredited Minnesota Assessor (SAMA) Designation with the Minnesota State Board of Assessors
Rasmuson recognized Triplett for attaining the SAMA designation. There are five employees in the Assessor's Office with the SAMA accreditation. Triplett was congratulated on this achievement.

BOB HIIVALA, AUDITOR/TREASURER
Approve 3-year ATM Agreement with Edge One (Replaces ATM Placement Agreement with ROI Moving Supply - DBA Big Al's Rental Center, LLC)
ROI Moving Supply DBA Big Al's Rental Center was sold to Edge One. Hiivala recommended approval of a contract with Edge One providing the same terms but with an extension to become a 3-year contract. The contract has

been reviewed by the Attorney's Office. Daleiden moved to approve the Contract with Edge One, seconded by Borrell, and carried 5-0.

Approve 3-21-16 Tax Forfeit Committee Minutes
On a motion by Borrell, second by Potter, all voted to approve the 3-21-16 Tax Forfeit Committee Minutes. The Minutes of that Meeting follow:

> The purpose of this meeting was to review the tax forfeiture parcels and pricing for the May 25th 2016 auction. All of these parcels were on prior sales and they were not sold. The prices were reviewed and lowered by the Auditor/Treasurer.
>
> Potter and Borrell agreed with all of the changes that were made by the Auditor/Treasurer except one parcel 218-000-151401, Borrell would like to see this lowered from $165,000.00 to $150,000.00. Borrell motioned that change and Potter seconded that motion.

(End of 3-21-16 Tax Forfeit Committee Minutes)

Information Only: There will be a Public Sale of Tax Forfeit Properties on 5-25-16 at 1:00 p.m.
Hiivala announced the sale of tax forfeit properties on 5-25-16 at 1:00 P.M. in the County Board Room. This was provided as an informational item.

Correction to 4-19-16 County Board Minutes RE: Approval of a Plat for Peterson Farm
Hiivala requested the following change to the 4-19-16 Board Minutes: Page 2, 2nd paragraph, change to read, "Approve A Plat Peterson Farm (Rockford Twp.)." The minutes incorrectly reflect the Plat is in Corinna Township. Borrell moved to approve the correction, seconded by Potter, and carried unanimously.

LT. TIM PIPPO, SHERIFF'S OFFICE/JAIL
Adopt Resolution Proclaiming May 1-7, 2016 as Corrections Officer and Employee Week in Wright County
Daleiden moved to adopt Resolution #16-26, seconded by Potter, and carried 5-0 on a roll call vote.

SEAN RILEY, PLANNING & ZONING ADMINISTRATOR
Accept the findings and recommendation of the Planning Commission and adopt the amendments to the Wright County Zoning Ordinance as follows:
-Replace existing (25) Commercial Agricultural Tourism definition with a new one (see language in attachment).
-Add: Section 743 **COMMERCIAL AGRICULTURAL TOURISM**

The purpose of the amendments are to replace the existing Commercial Agricultural Tourism definition (25) and to add Section 743. There is more demand for activities in the agricultural area. Currently, all activities take place outdoors. The changes will allow the Planning Commission flexibility to consider some interior events. A Public Hearing was held at the Planning Commission. Daleiden moved to adopt Ordinance Amendment 16-01, seconded by Husom, and carried 5-0:

BOARD OF COUNTY COMMISSIONERS
WRIGHT COUNTY, MINNESOTA
ORDINANCE AMENDMENT NO. 16-01

WRIGHT COUNTY HEREBY ORDAINS:
The Wright County Zoning Ordinance is hereby amended as follows:

603. Agriculture/Residential (A/R)
603.4 Conditional Uses
Add: Commercial Agricultural Tourism
604. General Agriculture (AG)
604.4 Conditional Uses
Add: Commercial Agricultural Tourism
302. Definitions:
Replace With Revised Definition:

(25) Commercial Agricultural Tourism - Commercial Agricultural Tourism is a rural commercial operation that is connected to a primary agricultural use and may include orchards, wineries, the promotion of agriculture or the natural environment, or the use of the rural outdoor environment for events such as weddings and gatherings. Commercial Agricultural Tourism may allow for the construction of accessory structures to be used for events and special gatherings of people to be held within such structures. Food catering and limited food preparation, along with limited retail that is directly associated with the Commercial Agricultural Tourism use may be allowed.

Add in:
Section 743. COMMERCIAL AGRICULTURAL TOURISM
A. Purpose
(1) Preserve Wright County's agricultural and rural heritage and landscapes.

(2) Enhance Wright County's appeal to visitors who are drawn to its rural and agricultural environment.

(3) Provide opportunities for new economic growth through Commercial Agricultural Tourism.

(4) Allow for Commercial Agricultural Tourism that does not conflict with permitted agricultural operations and developed residential areas.

B. Standards
(1) Commercial Agricultural Tourism shall be located on a parcel of at least ten (10) acres in size which has a residence or entitlement.

(2) Commercial Agricultural Tourism shall be shown to have a unique or demonstrable relationship with Wright County and be correlated to agricultural and rural features in accordance with the above stated purposes.

(3) Large scale events and gatherings held inside a building must be associated with an outdoor agricultural or rural outdoor activity, be seasonal or part-time in nature. Any associated food must be catered. The Planning Commission may allow for limited food preparation provided it meets the underlying intent of the Commercial Agricultural Tourism Use. Alcohol must be catered.

(4) Commercial Agricultural Tourism shall require a Conditional use Permit in accord with Section 505 of the Wright County Zoning Ordinance and must comply with the Wright County Land Use Plan.

C. Conditional Use Permits shall refer to land uses which:
(1) Must not create an excessive demand upon existing services or amenities.

(2) Must be screened or able to be screened adequately, or are sufficiently separated from adjacent residences to prevent negative impacts to nearby properties.

(3) Must have an appearance that is consistent and compatible with the surrounding area and land uses.

(4) Must not cause traffic hazards or undue congestion.

(5) Must not negatively impact surrounding residences and neighbors by the intrusion

Enacting Clause:

This ordinance amendment is effective the day following final adoption and publication. The enacting clause will not be incorporated into the final Wright County Ordinance.
Adopted by the Wright County Commissioners this 3rd day of May, 2016.
(End of Ordinance Amendment 16-01)

ITEMS FOR CONSIDERATION

4-27-16 BUILDING COMMITTEE MINUTES

On a motion by Potter, second by Borrell, all voted to approve the 4-27-16 Building Committee Minutes and recommendations. The minutes follow:

I. Annex Restroom / Custodial Closet

Wilczek & Hatfield provided an overview of the restroom project along with a schematic design of the layout. The project fits the space and lays out properly with the taking of a small space into the proposed IT expansion area. Items discussed were the longevity and facility uniformity of fixtures including the selection of quality stall partitions, countertops, and counter mount touch-free soap dispensers. The next step in the process from a design standpoint is Kraus Anderson & HCM Architects budget pricing the presented concept. Pricing will be available
5-05-16.

Recommendation:
Daleiden proposed moving forward with installation of the new demising wall in the IT area to keep the IT Expansion project moving forward while progressing with the restroom plans. Wilczek & Hatfield are gathering costs and timing details on wall construction.

II. IT Expansion

Tagarro updated the Committee on the IT expansion project. Currently he has numbers for most of the work, including a majority of the costs of the office furnishings. A power adjustable media table was discussed for the collaborative space, but a cost of $4400 was discussed as high. Tagarro agreed and is seeking alternatives. In all, a furniture cost of $65,457 was presented to the group by Tagarro. The total project cost estimate is at $106,623.21.

Hatfield agreed to remove two gray cabinets from the old library location and save them for Tagarro's future use.

Tagarro presented a credit that was offered for the "trade in" of some pieces of old furniture for $3000+ and Daleiden questioned if the items should instead be stored for future use as there may be potential for needing those items in the future and then would be faced with purchasing new equipment at a higher cost than the credits.

ABF indicated to Tagarro a lead time of 5-6 weeks for furniture pieces to arrive.

Recommendation:
Tagarro will seek alternatives for the collaboration room table to meet the needs of the group at a lesser cost. A NTE project number of $104,000 was suggested and agreed upon between Daleiden and Potter. Should the cost rise above this number, Tagarro is to come back to the committee for further discussion of items. It was also suggested by Tagarro and recommended by Daleiden to move forward with the removal of a small stub wall adjacent to the restroom expansion in conjunction with installation of the restroom expansion demising wall. Wilczek & Hatfield will pursue the item with Ernst Construction.

(End of 4-27-16 Building Committee Minutes)

4-27-16 TECHNOLOGY COMMITTEE MINUTES

Sue Vergin, Assistant County Coordinator, referenced the minutes and discussion on ending the contract with Livestream. The minutes reflect the contract will cease the end of April. Vergin said the contract will actually terminate the end of May because of invoicing. Daleiden moved to accept the minutes and recommendations, seconded by Borrell, and carried 5-0. The Technology Committee Minutes follow:

I. Server Room Updating

Sue Vergin received quotes from Liebert and Climate Air for the replacement of the cooling unit in the Server Room. The total cost was originally $38K, and is now down to $31K. We will receive $15K from Minnesota Office of Enterprise Technology (MNOET). These figures put us under budget by $4,880.

4-27-16 Technology Committee Minutes (cont.):

Cheri Nelson researched the cost of new flooring tiles. Tile quote came in at $3,970, which does not include cutting of tiles or installation. Ernst Construction could cut tiles and Maintenance could install which would save quite a bit of money.

Recommendation: Proceed with flooring

II. Information Security Assessment Status

FR Secure has completed all interviews. They are now in the process of evaluating the data that was collected. The total assessment process should take 8 – 10 weeks for completion. The external network was looked at by FR Secure and it appeared to be good. We are waiting for the final report from FR Secure which will recommend new policies and procedures.

Action: Information Only

III. Boardroom Youtube Testing Update

Wire Cast software was tested for streaming in the Boardroom. IT purchased a capture card for handling audio/video but that did not work well, so they are doing more testing. Overall the testing of Youtube has gone well. The audio/video equipment in the Boardroom needs to be updated. IT will get price quotes from both EPA and Marco.

Recommendation: Stop using Livestream at end of April 2016

IV. Wireless Site Survey

Received a quote from one vendor for the site survey, came in at $10K. Talked to Marco regarding an Electronic Survey that would give us a plan for where new access point should be placed for optimal coverage. This would be for not cost. There are still certain areas in the Government Center with very little coverage. The cost of new wiring will run between $200 - $500. The cost for Access Points (equipment) is $600 - $800 depending on quality.

Recommendation: Proceed with Marco's Proposal for Electronic Survey

V. IT Surveys

Info Tech has been selected to do IT Surveys. Since IT is a member of Info Tech they will do the surveys at no cost. The survey was done in Benton County and it was a good tool to gauge customer service and the general direction of technology. One survey will be geared towards supervisors, department heads and managers, while the other will be geared towards all users. Info Tech will review collected data and get back to us with results.

Recommendation: Proceed with Surveys

(End of 4-27-16 Technology Committee Minutes)

4-27-16 WAYS & MEANS COMMITTEE MINUTES

On a motion by Husom, second by Daleiden, all voted to approve the 4-27-16 Ways & Means Committee Minutes, which follow:

I. Land Rental Contracts

Kelly distributed the following (see attachments):

1) A document entitled, "2016 – 18 Land Rental Contracts;"
2) A Land Rental Contract with Dale and Linda Gapinski for 30.75 acres of tillable land, Parcel ID #211.00006211 (Rassat site);
3) A Land Rental Contract with eQuality Pathways to Potential for six acres, Parcel ID #202.000083302 (Stemper site); and
4) A document entitled, "Stemper and Rassat Sites – Rental History."

Referring to the first attachment, Sawatzke said the County is paying more taxes than rental income on the Stemper site. He said that should be corrected. Asleson said the parcel should be taxed on the rental income

DRAFT

4-27-16 Ways & Means Committee Minutes (cont.):

in this situation. He will contact the Assessor's Department. Kelly said the goal in the past was for the County to break even or earn a small profit. The benefits of the current agreement is that the tenant takes care of the land.

Regarding the Rassat site, Kelly said the three year lease stipulates the same rate as the previous agreement for 30.75 acres. The tenant keeps weed growth and erosion at bay.

Kelly said the land being leased at the Stemper site is smaller now that the new Sheriff's Support Services Building and Impound Lot (SSSIL) has been built. The proposal was to rent it to eQuality Pathways to Potential, a nonprofit organization adjacent to this parcel that grows organic crops.

Recommendation: Approve land rental contracts for Parcel ID #211.00006211 (Rassat site) at $60 per acre for a total of $1,845 per year, and Parcel ID #202.000083302 (Stemper site) for $95 per acre, or $570 per year. Staff will contact the Assessor's Department regarding the tax rate on Parcel ID #202.000083302.

(End of 4-27-16 Ways & Means Committee Minutes)

SALE OF 4030 NABER AVENUE NE, ST. MICHAEL

Brian Asleson, Chief Deputy Attorney, said two Closed Sessions of the County Board have been held to discuss market value and auctioning of the property. It was the consensus to proceed with auction services through Lampi Auctioneers, Inc. Asleson stated the recommendation of the Assessor is to proceed with market value as a minimum bid. Husom moved to approve Lampi Auctioneers, Inc. for auction services. Lampi will be consulted for an opinion on whether to disclose the minimum bid. The motion was seconded by Potter. Daleiden asked that a link to the Lampi website be included on the County's website. The motion carried 5-0.

QUAD COUNTY MEETING RE: FEDERAL EDA ON 5-11-16 @ 9:30 A.M., MONTICELLO WORKFORCE CENTER

The Quad County CEDS Plan will expire at the end of 2016. The 5-11-16 Quad County Meeting will include a Federal EDA speaker to provide information on the benefits of having an updated CEDS Plan. Quad County Commissioners (Benton, Sherburne, Stearns and Wright) and interested city representatives will be invited to discuss cost and budget options. Vergin explained that 5-11-16 is a County Board Committee Meeting day.

Borrell moved to authorize attendance at the 5-11-16 Quad County Meeting, seconded by Husom, and carried 5-0.

Daleiden moved to reschedule Committee Meetings from 5-11-16 to 5-10-16, starting at approximately 12:30 PM. The motion was seconded by Potter and carried unanimously.

LETTER TO THE PUC RE: AURORA PROJECT IN BUFFALO TOWNSHIP

At the last Board Meeting, staff was directed to draft a letter relating to the Aurora Solar Project. Today, the draft was reviewed and modified. Potter made a motion to have the revised letter sent to Enel Green Power, North America (following the complaint procedures), seconded by Daleiden, and carried 5-0. The letter will be copied to the MN Public Utilities Commission (PUC), Governor Mark Dayton, Rep. Marion O'Neill, Senator Bruce Anderson, US Congressman Tom Emmer, US Senator Amy Klobuchar, US Senator Al Franken, Scott Johnson-Xcel Energy, and Donald Schmidt-Buffalo Township.

UPDATE ON STATE AUDITOR LAWSUIT

Asleson said the Attorney representing Wright and Becker Counties in the State Auditor lawsuit has filed a motion to dismiss because the law is not yet in effect and it is premature for the Court to be ruling on this. Two upcoming court dates in Ramsey County include 5-06-16 at 9:00 AM and 6-23-16 at 1:30 PM. The June date relates to a motion the State Auditor has made for summary judgment, basically saying there is no dispute as to the facts, it is all legal issues for the Court to decide, and the Court should be deciding this based on the pleadings of the parties (i.e., dispose of the matter short of trial). The Court does not have to rule for 90 days after the motion hearing. Asleson said the hope is the Court may rule prior to the 6-23-16 Hearing. Ramsey County did not join Wright and Becker Counties in the motion to dismiss being heard this Friday. This was provided as an informational item.

DRAFT

ADVISORY COMMITTEE / ADVISORY BOARD UPDATES

1. Boy/Girl Day. Husom referenced Boy/Girl Day that was held on 4-26-16. Fewer students attended this year because of a testing conflict at a couple of schools. Husom appreciates the Legion hosting this event.
2. AMC Transportation/Burnsville Chamber of Commerce. Potter attended a meeting on 4-27-16 where transportation funding issues were discussed.
3. Greater MSP Meeting. Potter attended a meeting on 4-29-16 in Golden Valley. The group discussed the growth of the labor force and the economy. The goal is to determine how to attract and retain talent because of the shortage of worker anticipated in the next decade.
4. Meeting with Wold Architects. Daleiden and Potter attended a meeting on 4-26-16. Wold has preliminary ideas relating to the space study for Courts. Cost estimates may be available in the near future.
5. Wright County Fair. Borrell announced the Wright County Fair will be held July 27-31, 2016 in Howard Lake. The Fair Board met on 5-02-16 and will proceed with bleacher repair at an estimated cost of $20,000. Borrell is bringing the bleacher repair information forward as the Fair Board is to notify the County when they spend over $10,000 on a project at the Fairgrounds.

The meeting adjourned at 10:27 A.M.

AGREEMENT RE: USE OF WASH BAY

WHEREAS, Functional Industries, Inc., is seeking to use the vehicle wash bay at the current Wright County Public Works Building at 1901 Hwy 25 N, Buffalo, for its fleet of buses; and

WHEREAS, a three-year agreement which provides for this has expired; and

WHEREAS, Wright County is willing to enter into a new agreement for three years for such use of same wash bay.

NOW, THEREFORE, Wright County (hereinafter referred to as County) and Functional Industries, Inc., (hereinafter referred to as FII) agree as follows:

1. That FII shall be allowed to use the vehicle wash bay at the current Wright County Public Works Building (1901 Hwy 25 N, Buffalo, MN) for washing its fleet of FII buses. Times for washing the buses shall be arranged so as to not interfere with the County use of the wash bay.

2. FII shall pay the County $7.00 per wash to cover the costs of such items as water, soap, billing, and equipment maintenance. The County will submit a bill on a semi-annual basis to FII, and FII shall remit payment to Wright County within thirty (30) days of the billing date.

3. The term of the Agreement shall be from January 1, 2016 through December 31, 2018. Either party may terminate the Agreement for any reason by giving thirty (30) days written notice to the other party.

4. FII agrees to defend, indemnify, and hold harmless the County from all liability, claims, or actions relating to property damage to the FII buses or injuries to FII employees resulting from or arising out of FII's use of the County wash bay. FII shall provide the County with a certificate of insurance coverage evidencing the limits of the coverage held by FII.

5. This Agreement shall not automatically renew and may only be modified or amended by written agreement signed by representatives of both parties.

2016 STATE OF MINNESOTA
FEDERAL SUPPLEMENTAL BOATING SAFETY PATROL
GRANT AGREEMENT

This grant agreement is between the State of Minnesota, acting through its Commissioner of Natural Resources ("State") and Wright Co. Sheriff, 3800 Braddock Ave. NE, Buffalo, MN 55313 ("Grantee"). The payment address for this grant agreement is Wright Co., 10 - 2nd St. NW, Rm. 230, Buffalo, MN 55313-1195.

Recitals

1. Under Minnesota Statute § 84.085, Subdivision 1(c) the State is empowered to enter into this grant.
2. This grant will be used to cover the cost of additional boating safety patrol of lakes and rivers in the county.
3. The Grantee represents that it is duly qualified and agrees to perform all services described in this grant agreement to the satisfaction of the State. Pursuant to Minnesota Statute §16B.98 Subdivision 1, the Grantee agrees to minimize administrative costs as a condition of this grant.

Grant Agreement

1 Term of Grant Agreement

1.1 ***Effective date***: May 13, 2016 or the date the State obtains all required signatures under Minnesota Statutes § 16B.98, Subdivision 5, whichever is later. Once this grant agreement is fully executed, the Grantee may claim reimbursement for 2016 grant expenditures incurred back to the effective date. Reimbursements will only be made for expenditures made according to the terms of this grant agreement.

1.2 ***Expiration date:*** September 5, 2016. Pursuant to Minnesota Statute §16A.28, Subdivision 6, the encumbrance may be certified for one year beyond the year in which funds were appropriated. The Grantee shall submit a final billing invoice within 30 days of the expiration of the grant as specified herein.

1.3 ***Survival of Terms.*** The following clauses survive the expiration or cancellation of this grant agreement: 8. Liability; 9. State Audits; 10. Government Data Practices and Intellectual Property; 12. Publicity and Endorsement; 13. Governing Law, Jurisdiction, and Venue; and 15. Data Disclosure.

2 Grantee's Duties

The Grantee, who is not a state employee, will provide additional boating safety patrol hours during high watercraft use periods through the payment of overtime or the addition of enforcement personnel. The Grantee will submit to the State a written plan to carry out the provisions of this grant. Provisions of Chapter 86B, the provisions of Chapter 169A pertaining to motorboats and the Boat and Water Safety Rules, hereinafter referred to as the "Minn. Rules" will be enforced. Refer to Exhibit "A" which is attached and incorporated into this agreement for more information on allowable expenses.

Reporting Requirements: The Grantee must satisfactorily submit all activity and financial reports by the date(s) requested by the State, unless the State grants an extension in writing.

3 Time

The Grantee must comply with all the time requirements described in this grant agreement. In the performance of this grant agreement, time is of the essence.

4 Consideration and Payment

4.1 ***Consideration.*** The State will pay for all services performed by the Grantee under this grant agreement as follows:

(a) ***Compensation.*** The Grantee will be paid for all boat and water safety activities performed by the Grantee during the term of the grant up to Eight thousand eight hundred seventy-five dollars ($8,875).

(b) ***Total Obligation.*** The total obligation of the State for all compensation and reimbursements to the Grantee under this grant agreement will not exceed Eight thousand eight hundred seventy-five dollars ($8,875).

4.2 ***Payment***

(a) ***Invoices.*** The State will promptly pay the Grantee after the Grantee presents an itemized invoice for the services actually performed and the State's Authorized Representative accepts the invoiced services. Invoices may be submitted at the end of the grant period or as often as monthly. Each invoice shall be accompanied by log sheets or activity sheets as described in Exhibit A. The final invoice and required narrative report must be submitted to the State not later than October 5, 2016, unless an extension is granted in writing from the State.

(b) ***Federal funds.*** Payments under this grant agreement will be made from federal funds obtained by the State through the U.S. Coast Guard, Department of Homeland Security – through the Recreational Boating Safety Financial Assistance program to states, commonwealth and territories (CFDA number 97.012) in U.S.C. 13101-13110. Exhibit "B" is attached and incorporated into this grant agreement. The Grantee is responsible for compliance with all federal requirements imposed on these funds and accepts full financial responsibility for any requirements imposed by the Grantee's failure to comply with federal requirements.

4.3 Contracting and Bidding Requirements per Minn. Stat. §471.345, grantees that are municipalities as defined in Subd. 1 must do the following if contracting funds from this grant contract agreement for any supplies, materials, equipment or the rental thereof, or the construction, alteration, repair or maintenance of real or personal property:

(a) If the amount of the contract is estimated to exceed $100,000, a formal notice and bidding process must be conducted in which sealed bids shall be solicited by public notice. Municipalities may, as a best value alternative, award a contract for construction, alteration, repair, or maintenance work to the vendor or contractor offering the best value under a request for proposals as described in Minn. Stat.§16C.28, Subd. 1, paragraph (a), clause (2).

(b) If the amount of the contract is estimated to exceed $25,000 but not $100,000, the contract may be made either upon sealed bids or by direct negotiation, by obtaining two or more quotations for the purchase or sale when possible, and without advertising for bids or otherwise complying with the requirements of competitive bidding. All quotations obtained shall be kept on file for a period of at least one year after receipt thereof. Municipalities may, as a best value alternative, award a contract for construction, alteration, repair, or maintenance work to the vendor or contractor offering the best value under a request for proposals as described in Minn. Stat.§16C.28, Subd. 1, paragraph (a), clause (2) and paragraph (c).

(c) If the amount of the contract is estimated to be $25,000 or less, the contract may be made either upon quotation or in the open market, in the discretion of the governing body. If the contract is made upon quotation it shall be based, so far as practicable, on at least two quotations which shall be kept on file for a period of at least one year after their receipt. Alternatively, municipalities may award a contract for construction, alteration, repair, or maintenance work to the vendor or contractor offering the best value under a request for proposals as described in Minn. Stat.§16C.28, Subd. 1, paragraph (a), clause (2).

(d) Support documentation of the bidding process utilized to contract services must be included in the grantee's financial records, including support documentation justifying a single/sole source bid, if applicable.

(e) For projects that include construction work of $25,000 or more, prevailing wage rules apply per; Minn. Stat. §§177.41 through 177.44 consequently, the bid request must state the project is subject to prevailing wage. These rules require that the wages of laborers and workers should be comparable to wages paid for similar work in the community as a whole. A prevailing wage form should accompany these bid submittals.

5 Conditions of Payment

All services provided by the Grantee under this grant contract must be performed to the State's satisfaction, as determined at the sole discretion of the State's Authorized Representative and in accordance with all applicable federal, state, and local laws, ordinances, rules, and regulations. The Grantee will not receive payment for work found by the State to be unsatisfactory or performed in violation of federal, state, or local law.

6 Authorized Representative

The State's Authorized Representative is Rodmen Smith, Director, Enforcement Division – Central Office, Minnesota Department of Natural Resources (DNR), 500 Lafayette Rd., St. Paul, MN 55155-4047, (651) 259-5042, rodmen.smith@state.mn.us or his/her successor, and has the responsibility to monitor the Grantee's performance and the authority to accept the services provided under this grant agreement. If the services are satisfactory, the State's Authorized Representative will certify acceptance on each invoice submitted for payment.

The Grantee's Authorized Representative is the County Sheriff or designee. If the Grantee's Authorized Representative changes at any time during this grant agreement, the Grantee must immediately notify the State.

7 Assignment, Amendments, Waiver, and Grant Agreement Complete

7.1 ***Assignment.*** The Grantee shall neither assign nor transfer any rights or obligations under this grant agreement without the prior written consent of the State, approved by the same parties who executed and approved this grant agreement, or their successors in office.

7.2 ***Amendments.*** Any amendments to this grant agreement must be in writing and will not be effective until it has been executed and approved by the same parties who executed and approved the original grant agreement, or their successors in office.

7.3 ***Waiver.*** If the State fails to enforce any provision of this grant agreement, that failure does not waive the provision or the State's right to enforce it.

7.4 ***Grant Agreement Complete.*** This grant agreement, including Exhibits "A" and "B," contains all negotiations and agreements between the State and the Grantee. No other understanding regarding this grant agreement, whether written or oral, may be used to bind either party.

8 Liability

The Grantee must indemnify, save, and hold the State, its agents, and employees harmless from any claims or causes of action, including attorney's fees incurred by the State, arising from the performance of this grant agreement by the Grantee or the Grantee's agents or employees. This clause will not be construed to bar any legal remedies the Grantee may have for the State's failure to fulfill its obligations under this grant agreement.

9 **State Audits**

Under Minnesota Statute § 16B.98, Subdivision 8, the Grantee's books, records, documents, and accounting procedures and practices of the Grantee or other party relevant to this grant agreement or transaction are subject to examination by the State and/or the State Auditor or Legislative Auditor, as appropriate, for a minimum of six years from the end of this grant agreement, receipt and approval of all final reports, or the required period of time to satisfy all state and program retention requirements, whichever is later.

10 **Government Data Practices and Intellectual Property**

10.1 ***Government Data Practices.*** The Grantee and State must comply with the Minnesota Government Data Practices Act, Minnesota Statute § 13, as it applies to all data provided by the State under this grant agreement, and as it applies to all data created, collected, received, stored, used, maintained, or disseminated by the Grantee under this grant agreement. The civil remedies of Minnesota Statute § 13.08 apply to the release of the data referred to in this clause by either the Grantee or the State.

If the Grantee receives a request to release the data referred to in this Clause, the Grantee must immediately notify the State. The State will give the Grantee instructions concerning the release of the data to the requesting party before the data is released. The Grantee's response to the request shall comply with applicable law.

11 **Workers' Compensation**

The Grantee certifies that it is in compliance with Minnesota Statute § 176.181, Subdivision 2, pertaining to workers' compensation insurance coverage. The Grantee's employees and agents will not be considered State employees. Any claims that may arise under the Minnesota Workers' Compensation Act on behalf of these employees and any claims made by any third party as a consequence of any act or omission on the part of these employees are in no way the State's obligation or responsibility.

12 **Publicity and Endorsement**

12.1 ***Publicity.*** Any publicity regarding the subject matter of this grant agreement must identify the State as the sponsoring agency and must not be released without prior written approval from the State's Authorized Representative. For purposes of this provision, publicity includes notices, informational pamphlets, press releases, research, reports, signs, and similar public notices prepared by or for the Grantee individually or jointly with others, or any subcontractors with respect to the program, publications, or services provided resulting from this grant agreement.

12.2 ***Endorsement.*** The Grantee must not claim that the State endorses its products or services.

13 **Governing Law, Jurisdiction, and Venue**

Minnesota law, without regard to its choice-of-law provisions, governs this grant agreement. Venue for all legal proceedings out of this grant agreement, or its breach, must be in the appropriate state or federal court with competent jurisdiction in Ramsey County, Minnesota.

14 **Termination**

14.1 ***Termination by the State.*** The State may immediately terminate this grant agreement with or without cause, upon 30 days' written notice to the Grantee. Upon termination, the Grantee will be entitled to payment, determined on a pro rata basis, for services satisfactorily performed.

14.2 ***Termination for Cause.*** The State may immediately terminate this grant contract if the State finds that there has been a failure to comply with the provisions of this grant contract, that reasonable progress has not been made or that the purposes for which the funds were granted have not been or will not be fulfilled. The State may take action to protect the interests of the State of Minnesota, including the refusal to disburse additional funds and requiring the return of all or part of the funds already disbursed.

14.3 ***Termination for Insufficient Funding.*** The State may immediately terminate this grant contract if:

a) It does not obtain funding from the Minnesota Legislature

b) Or, if funding cannot be continued at a level sufficient to allow for the payment of the services covered here. Termination must be by written or fax notice to the Grantee. The State is not obligated to pay for any services that are provided after notice and effective date of termination. However, the Grantee will be entitled to payment, determined on a pro rata basis, for services satisfactorily performed to the extent that funds are available. The State will not be assessed any penalty if the contract is terminated because of the decision of the Minnesota Legislature, or other funding source, not to appropriate funds. The State must provide the Grantee notice of the lack of funding within a reasonable time of the State's receiving that notice.

15 **Data Disclosure**

Under Minnesota Statute § 270C.65, Subdivision 3, and other applicable law, the Grantee consents to disclosure of its social security number, federal employer tax identification number, and/or Minnesota tax identification number, already provided to the State, to federal and state tax agencies and state personnel involved in the payment of state obligations. These identification numbers may be used in the enforcement of federal and state tax laws which could result in action requiring the Grantee to file state tax returns and pay delinquent state tax liabilities, if any.

16 **Invasive Species Prevention**

The DNR requires active steps to prevent or limit the introduction, establishment, and spread of invasive species during contracted work. The contractor shall prevent invasive species from entering into or spreading within a project site by cleaning equipment prior to arriving at the project site.

If the equipment, vehicles, gear, or clothing arrives at the project site with soil, aggregate material, mulch, vegetation (including seeds) or animals, it shall be cleaned by contractor furnished tool or equipment (brush/broom, compressed air or pressure washer) at the staging area. The contractor shall dispose of material cleaned from equipment and clothing at a location determined by the DNR Contract Administrator. If the material cannot be disposed of onsite, secure material prior to transport (sealed container, covered truck, or wrap with tarp) and legally dispose of offsite.

The contractor shall ensure that all equipment and clothing used for work in infested waters has been adequately decontaminated for invasive species (ex. zebra mussels) prior to being used in non-infested waters. All equipment and clothing including but not limited to waders, tracked vehicles, barges, boats, turbidity curtain, sheet pile, and pumps that comes in contact with any infested waters must be thoroughly decontaminated.

IN WITNESS WHEREOF, the parties have caused this Grant Agreement to be duly executed intending to be bound thereby.

2016 FEDERAL BOATING ENFORCEMENT SUPPLEMENTAL AGREEMENT (CFDA #97.012)

1. The purpose of this program is to provide supplementary funding to the County to provide for additional boating safety patrol hours during high-use periods through the payment of straight time, overtime, or the addition of enforcement personnel on a temporary basis. Other activities such as rental boat inspections, training, extended search and rescue operations, aids-to-navigation work, aquatic invasive species (AIS) enforcement or inspections, talks and displays **do not qualify** for reimbursement under this program. Incidental on-scene accident investigation, assistance to the public and immediate search and rescue operations by personnel assigned to this program are authorized.

2. Unless otherwise noted in this exhibit, the program shall begin on Friday, May 13, 2016 and end at midnight, Monday, September 5, 2016. Grant return deadline is Wednesday, June 15, 2016 unless an extension is granted in writing from the state.

3. Reimbursable hours and days of operation shall occur during the following days and hours:

   The schedule of hours shall be left to the county. Scheduling, however, should be made to coincide with periods of activity or complaints and night patrols are encouraged. *If at all possible, schedules should be canceled or delayed if inclement weather is expected.*

4. Emphasis on this program shall be placed on the following violations:

   - Boating while intoxicated
   - Personal watercraft operation
   - Careless and reckless operation
   - Speed and wake violations
   - Use of navigation lights
   - Other boating equipment and registration violations

5. Allowable costs include overtime patrol hours, additional personnel salary and appropriate fringe benefits associated with patrol. No indirect costs will be paid by the state. Invoices may be submitted at the end of the grant period or as often as monthly. A copy of the daily logs of each deputy involved - showing hours on duty, water body patrolled, boats stopped, citations or warnings issued and other pertinent information on a daily basis must be submitted with the monthly reimbursement invoice. The deputy and his or her supervisor must sign each log sheet. Reimbursement requests must also include a summary of the times and hours worked and total costs for each deputy by date.

   All other expenses, such as fuel, training, repairs, boats, meals etc. must be paid by the county (use of the regular 2016 state boat and water safety grant funds for these other expenses is an allowable cost). The county will be responsible for any unemployment or worker's compensation costs associated with the program.

6. Each participating county, with the last payment request, will submit a written review of the program. Final payment will not be made without this narrative, which shall include a summary of the county's activities, accomplishments and suggested changes for future funding.

7. **Deadline for the final invoice and narrative is Wednesday, October 5, 2016. Any invoice submitted after that date will not be reimbursed, unless an extension is granted in writing from the State.**

8. Hours from this program will be excluded in determining the regular 2018 county grant allocation.

9. These funds are not designed to take the place of existing funding, but rather to supplement it. A copy of the 2016 county supplemental patrol work plan must be submitted to the State for approval before the grant may be processed.

2016 FEDERAL ASSURANCES
NON-CONSTRUCTION PROGRAMS

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the agency. Further, certain Federal awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

1. Has the legal authority to apply for Federal assistance and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project cost) to ensure proper planning, management and completion of the project described in this application.

2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, through any authorized representative, access to and the right to examine all records, books, papers, or documents related to the award: and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.

3. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.

4. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.

5. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4728-4763) relating to prescribed standards for merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).

6. Will comply with all Federal statutes relating to nondiscrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§ 1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. § 794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 ee 3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et sq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.

7. Will comply, or has already complied, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal or federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation purchases.

8. Will comply, as applicable, with provisions of the Hatch Act (5 U.S.C. §§1501-1508) and 7324-7328) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.

9. Will comply, as applicable, with the provisions of the Davis-Bacon Act (40 U.S.C. §§276a to 276a-7), the Copeland Act (40 U.S.C. §276c and 18 U.S.C. §874), and the Contract Work Hours and Safety Standards Act (40 U.S.C. §§327-333), regarding labor standards for federally-assisted construction sub-agreements.

10. Will comply, if applicable, with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is $10,000 or more.

11. Will comply with environmental standards which may be prescribed pursuant to the following: (1) institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 11514; (b) notification of violating facilities pursuant to EO 11738; (c) protection of wetlands pursuant to EO 11990; (d) evaluation of flood hazards in floodplains in accordance with EO 11988; (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§ 1451 et. seq.); (f) conformity of Federal actions to State (Clean Air) Implementation Plans under Section 176(c) of the Clean Air Act of 1955, as amended (42 U.S.C. §§ 7401 et seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 93-523); and (h) protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93-205).

12. Will comply with the Wild and Scenic Rivers Act of 1968 (16 U.S.C. §§ 1271 et seq.) related to protecting components or potential components of the national wild and scenic rivers system.

13. Will assist the awarding agency in assuring compliance with Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. §470), EO 11593 (identification and protection of historic properties), and the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. §§469a-1et seq.).

14. Will comply with P.L. 93-248 regarding the protection of human subjects involved in research, development, and related activities supported by this award of assistance.

15. Will comply with the Laboratory Animal Welfare Act of 1966 (P.L. 89-544, as amended, 7 U.S.C. §§2131 et seq.) pertaining to the care, handling, and treatment of warm blooded animals held for research, teaching, or other activities supported by this award of assistance.

16. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.

17. Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1995 and OMB Circular A-133, "Audits of State, Local Governments and Non-Profit Organizations." *(see below).

18. Will comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing this program.

**If the COUNTY (as defined on page 1 of this grant) expends more than $500,000 in federal assistance per year, it agrees to have a program-specific or single audit made in accordance with the Single Audit Act Amendments of 1996 and OMB Circular A-133 – "Audits of States, Local Governments and Non-Profit Organizations." Copies of the audit report are required to be sent to the following: 1) Office of the State Auditor – Single Audit Division, Suite 400, 525 Park Street, St. Paul, MN 55103, 2) Minnesota Department of Natural Resources, Internal Audit Section – Office of Management & Budget Services 500 Lafayette Road, St. Paul, MN 55155 and 3) The Federal Single Audit Clearinghouse located at: Bureau of the Census, Data Preparation Division, 1201 East 10th Street, Jeffersonville, IN 47132.*

Originating Department/Service	Information Only: Replacing Folding Equipment and Acquiring Software from Neopost to Reduce the Cost of Certified Mail Processing.
Requestor's Signature	
Reviewed By/Date	

Background/Justification:

The current inserter is 12 years old and the monthly maintenance cost of $143.12 is expected to rise to over $170.00 in November 2016.

The new equipment ***and*** software has a lease fee of $168.28 with realistic savings between $56.70 and $81.00 per month in decreased Certified/Return Receipt costs. Additionally, preparation time is decreased and tracking is much easier.

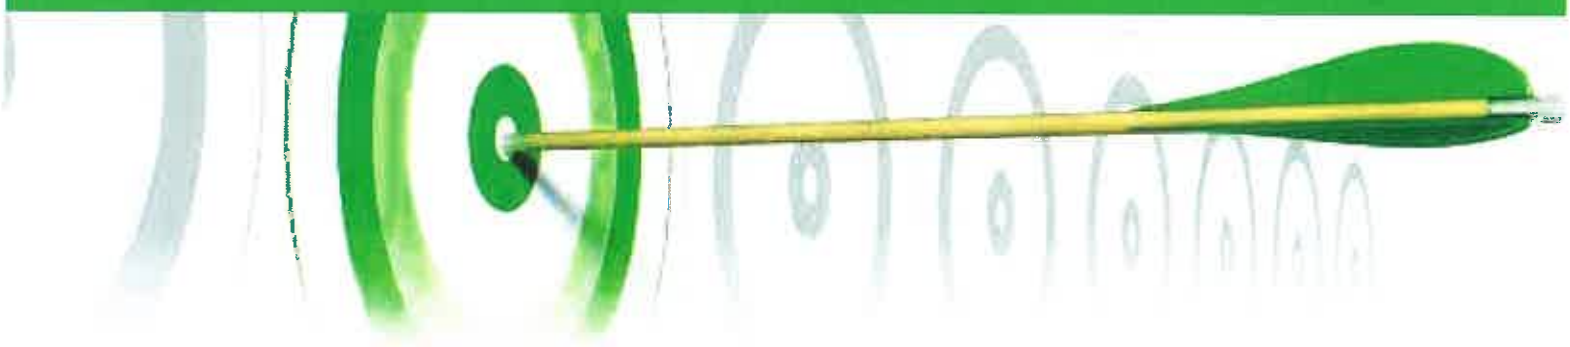
Our Assessment



Current Situation

Wright County's SI68 is over 12 years old and the Maintenance Contract is costing $143.12/month average this year and will rise again in November

Wright County has a need for a Folder/Inserter that is more flexible than their current system They also have a need for a stand alone folder.

Currently anywhere from 42 to 60 Certified Mail pieces per month County wide, which are handled manually and costly due to the usage of paper-based return receipts. Return Receipts cost $2.70/each as opposed to E-Return Receipts which would only be $1.35/each and would be accessible on REAL-TIME

Current Costs & Lost Postage

Service contract for one year:	$143.12 per month
Over Paying Postage per month	$56.70 to $81.00 per month
Total on a slow Certified Month:	$199.82 per month, not including Envelopes

Solution

Trade in old Inserter for a new DS35 Touch Screen Folder/Inserter and add a stand alone Folder for 8 1/2" Paper. Credit Remaining months Maintenance into new solution

Give Wright County E-Certified Solution Software and 1 case of 2,500 #10 E-Certified Envelopes. This E-Return Receipt technology will save $1.35 per Certified letter, reducing your monthly postage spend by over $56.70/month. Time spent preparing Certified letters with E-Return Receipt can be cut in half. Signatures will now come back to Wright County on REAL-TIME and be easier to track

ConnectSuite e-Certify Process

Stop handwriting USPS® Certified Mail™ forms. Streamline your preparation process and start saving today with ConnectSuite e-Certify from Neopost. Here's how it works:

STEP 1

Enter recipient's address or import a text file containing multiple addresses for batch processing.

Addresses are validated for accuracy and proper formatting.

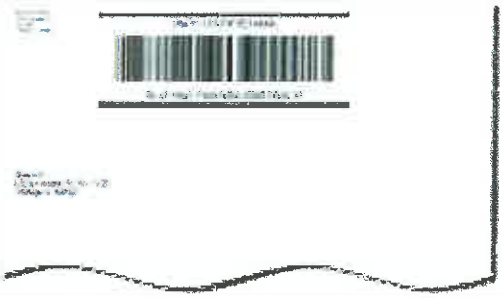
Mail piece data uploaded to USPS®.

STEP 2

Print one or multiple banner pages.

Banner pages contain the return address, recipient address and a Certified Mail™ barcode.

Banner pages are placed on top of the document sets intended for the same recipient.

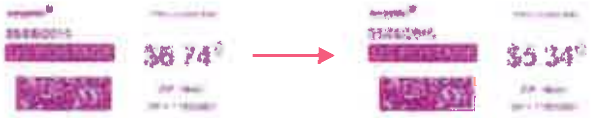


STEP 3

Banner pages and corresponding document sets are folded together and inserted into a double window Certified Mail™ envelope.

STEP 4

Meter the Certified Mail™ envelope(s) for $1.40 less than the "green card" paper-based method (reflects reduced amount for electronic Return Receipt™ service).



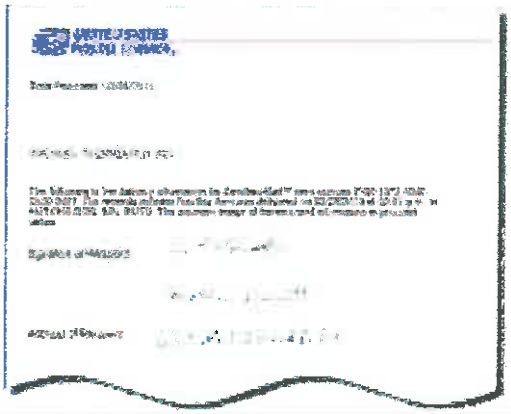
STEP 5

Delivery status of all sent items is automatically tracked and displayed in a user-friendly online portal.

Download electronic PDF signature files as needed (replaces "green card").

All activity and signature files are stored for the lifetime of your subscription.

Run simple or advanced searches and print or export reports.



Save $140.00 for every 100 Certified letters, and $1,400.00 per 1,000

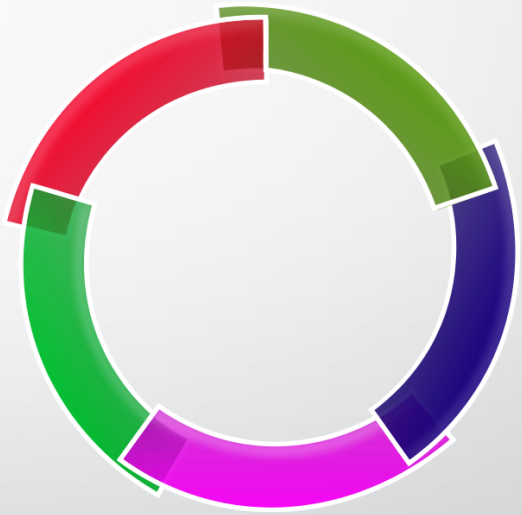
WCADC

Changing Lives
Preventing Crime
Reducing Costs

THE PROBLEM

- High recidivism rate among addicted offenders
- Judges sentence drug offenders to probation or incarceration, only to quickly see them back again on a revocation of probation or a new charge



Why is This a Problem for the Community?

- Offenders remain addicted
- Crime rates increase
- Ultimately resulting in **higher costs** due to re arrest costs, increased jail time, additional probation supervision, more prison time, further foster care costs and greater reliance on public assistance

The Traditional Response

- Send offender for lengthy prison sentence
- Sentence offender to longer jail sanction
- Place offender back on probation

Why The Traditional Response Is Inadequate

- More than **60 %** of those arrested test positive for alcohol or drugs
- Without intensive supervision by a judge, approximately **25%** of offenders never arrive for a single treatment session
- More than **1/2** of inmates will return to prison within **3 years** of their release
  - Even if they do not return to prison, **95 %** will return to drug use

High Costs

Jail/Prison

- It costs $104/day to house an inmate at the Wright County Jail
- In 2015 the average daily population was 166 inmates
- $17,264 per day
- $6,301,360.00 in 2015

Probation

- **$1,256** per year for an offender on traditional felony probation.
- Felony Probation can be **5-40** years
- **$6,280-$50,240 per offender**

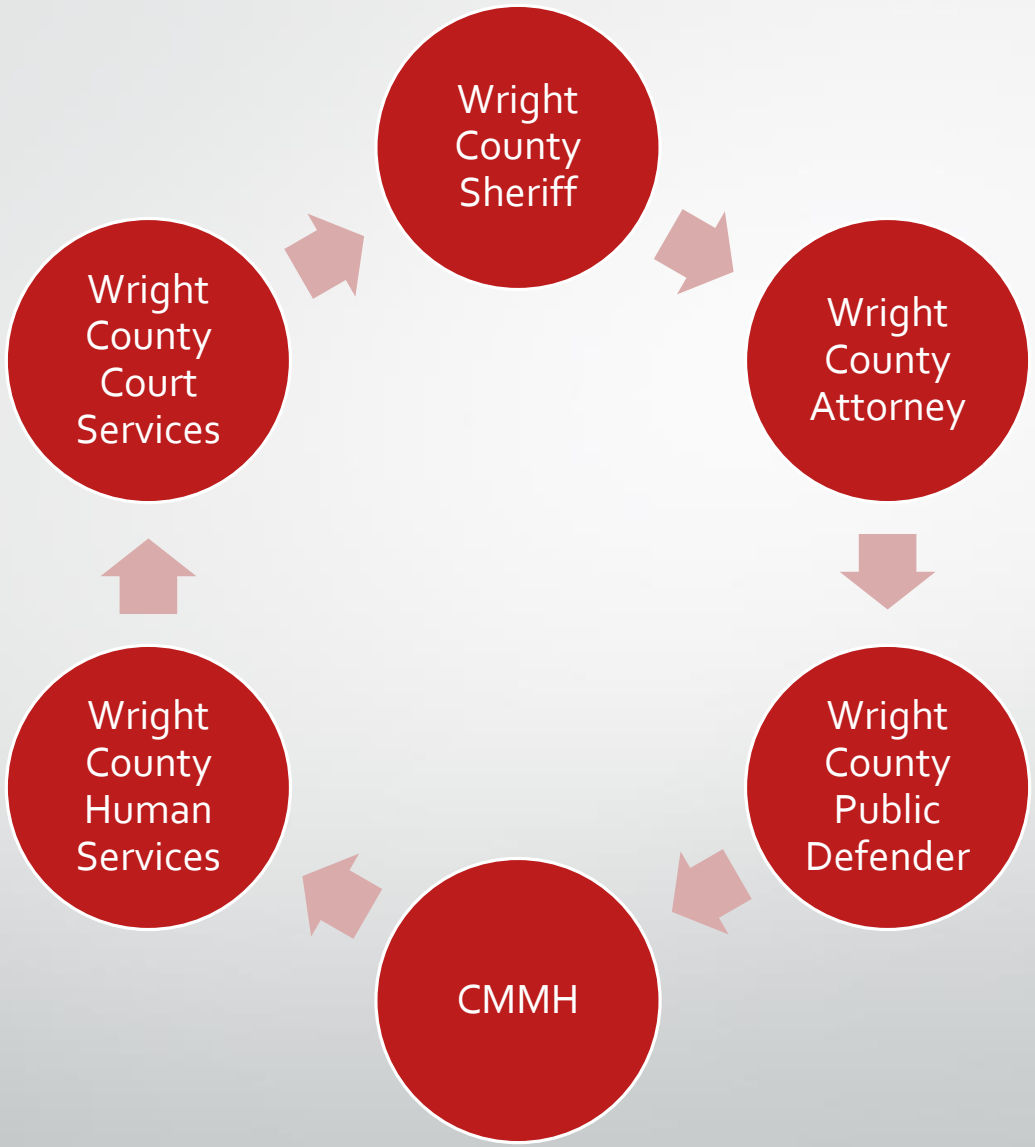
What Can Help Solve The Problem?

A radical shift in thinking and a dedicated and coordinated effort between justice partners to change lives, prevent crime, and reduce costs.

WCADC

- Change lives
- Prevent crime
- Reduce costs

- A team of criminal justice partners committed to addressing the problems that persist in traditional probation or treatment alone working together to break the cycle of recidivism among drug addicted offenders in the court system.



Wright County Sheriff
Wright County Attorney
Wright County Public Defender
CMMH
Wright County Human Services
Wright County Court Services

How WCADC Will Help

- Provide intensive supervision
- Coordinate comprehensive treatment
- Facilitate collaborative chemical health and ancillary services through community providers
- Allow access to mental health services
- Increase judicial intervention and accountability

DRUG COURTS

- There are currently **2, 966** drug courts in the U.S.
- There will be 2,967 beginning October 1, 2016, when Wright County opens its first drug court
- **150,000** people are served by drug courts each year
- **1.4 million** drug court graduates so far

Drug Courts Can Change Lives

- Unless substance addicted offenders are regularly supervised by a judge and held accountable, **70%** drop out of treatment prematurely
- Drug Courts are **six times** more likely to keep offenders in treatment long enough for them to achieve long term sobriety
- Parents in drug court are **twice** as likely to go to treatment and complete it
- Family re-unification rates are **50%** higher for Drug Court participants

.

Drug Courts Can Prevent Crime

- Drug Court Significantly reduce crime as much as **45%** more than other sentencing options
- Nationwide, **75%** of Drug Court graduates remain arrest free at least two years after leaving the program vs. **30%** of prisoners.

Drugs Courts Can Reduce Costs

- Nationwide, for every **$1.00** invested in Drug Court, **taxpayers save** as much as $**3.36** in avoided criminal justice costs alone **or a total of $32.3 billion annually**
- Drug Courts produce cost savings ranging from **$3,000 to $13,000** per offender
  - These cost savings reflect reduced prison costs
  - Reduced healthcare costs
  - Reduced costs associated with the revolving door of arrests and trials
  - Reduced victimization costs such as lost work days and medical expenses
  - Reduced foster care costs because children of Drug Court participants spend significantly less time in out-of-home placements

The Need For More Drug Courts

- The U.S. Department of Justice recently identified **1.2 million** people in the criminal justice system **who would be eligible for drug court** but do not have access due to their location.

Why Does Wright County Need A Drug Court?

- There were **347** drug arrests in Wright County in **2013**
  - **174** resulted in a criminal complaint being filed
  - **67** of these offenders were sentenced for felony controlled substance crimes
  - **11** went to prison
- There were **316** arrests for drug offenses in Wright County in **2014**
  - **173** resulted in a criminal complaint being filed
  - **91** of these offenders were sentenced for felony controlled substance crimes
  - **26** went to prison
- The remaining **121** individuals were sentenced to a combination of jail time and probation. Probation services and jail time are a financial burden on the County

Why Does Wright County Need a Drug Court?

- The average cost of probation for a felony controlled substance offender is **$4.00 per day.**
- **121** offenders were placed on felony probation in Wright County between **2013-2014** with a cost of $**1,695,936**
- **Over 1/2** the Child in Need of Protection or Services cases filed in Wright County in **2013** and **2014** involved **at least one parent having issues with controlled substances**

CPR

- WCADC program will cost approximately **$3,000** per participant
- WCADC program will **limit its use of jail** as a sanction
- WCADC program will help offenders gain education and employment
- WCADC will give offenders the tools to maintain long term sobriety
- Ultimately, WCADC will alleviate the financial burden on the County by reducing jail costs, probations costs, healthcare, and foster care costs

WCADC MISSION

The WCADC provides support, rehabilitation, resources, and the opportunity to change life circumstances by becoming chemically free through comprehensive assessment and treatment, intensive supervision, random drug and breath testing, increased court appearances, and immediate sanctions and incentives

WCADC

- WCADC program is voluntary
- Lasts a minimum of 14 months and a maximum of 24 months
- The program fee is $600 per participant.
- Successful completion results in a non prison disposition, no jail, shorter probation or reduction to a misdemeanor.

Who Is Eligible For WCADC?

- Non Violent, Gross Misdemeanor or Felony
- At least18 years old
- Wright County resident
- Identified as High Risk to reoffend and addicted to controlled substances

WCADC Program Includes

- Chemical dependency treatment
- Mental health interventions
- Random alcohol and drug testing
- Regular court appearances
- Case management meetings
- Community support groups
- Assistance in obtaining employment, pursuing education, or community service
- Participation in pro-social activities

5 Program Phases

Each phase lasts 60- 90 days and requires

- Weekly, bi weekly, or monthly court appearances
- Weekly, bi weekly, or monthly office visits to probation
- Weekly, bi weekly, or monthly home visits
- 2 random drug tests per week
- Random unannounced home visits by the sheriff’s department or probation
- Participation in treatment
- Participation in support groups
- Education, work, or pro social activities

EXAMPLE:

Phase II-Challenge/Clinical Stabilization

Objective: Continued abstinence, establishment of recovery and development of educational and/or vocational goals. Minimum length is 90 days.

Expectations:

- Twice monthly court hearings
- Weekly visits with WCADC probation agent
- Random drug testing (twice weekly minimum)
- Minimum twice monthly home visits by Probation Agent or Law Enforcement
- Curfew of 10 p.m.
- Meet with Wright County financial assistance worker to determine eligibility for financial benefits
- Compliance with driver's license reinstatement plan
- Participate in educational, vocational, or rehabilitative programs as directed by WCADC team

Example of Advancement Requirements:

- ✓ Minimum 30 consecutive days sober immediately prior to advancement, abstaining from all mood-altering chemicals
- ✓ Completion of Phase Move Application
- ✓ Satisfactory treatment progress or completion
- ✓ Satisfactory compliance with all program requirements
- ✓ No unexcused absences from scheduled WCADC activities for 14 days.
- ✓ Attendance in a structured activity as directed and approved by WCADC Team
- ✓ Complete Chapter 1 of Drug Court Workbook.
- ✓ Approval of WCADC Team

- Upon Graduation a WCADC participant will have appeared in front of a judge a minimum of **25** times, had **35** office visits with a PO, had home visits from a PO or law enforcement, completed **16** weeks of treatment and completed **156** drug tests.

Random Twice Weekly Drug Tests

- Throughout the phases, the WCADC will require random, frequent, and observed drug tests
  - At least **2 time** per week
- On average a WCADC participant will take 156 drug tests before graduating

Incentives and Sanctions

- Throughout the program the WCADC team will employ a wide range of intermediate magnitude rewards and sanctions that can be adjusted upward or downward in response to participant behavior

Incentives

- Throughout the program participants may be give incentives to reinforce positive behaviors
  - An incentive is acknowledgement by the WCADC team that the participant has reached a milestone, accomplished a specific goal, or otherwise exhibited positive behavior or change

Incentives will range from positive recognition in court to more tangible rewards such as:

- **Gift certificates**
- **Phone cards**
- **Groceries**
- **Clothing**
- **Transportation tokens**
- **Candy**
- **Pop**
- **Less restrictive curfew**
- **Money off fees**
- **Less frequent court appearances**
- **Payment for GED testing**

SANCTIONS

- **Any violations of the drug court program, rules, or policies that jeopardize public safety or threaten the welfare of staff members or other participants will result in immediate imposition of sanctions and may be grounds for immediate *termination***
- **Less serious infractions, such as continued drug use, will typically be sanctioned on a graduated or escalating basis, where the magnitude of the sanction increases with successive infractions, such as:**

  - **In Court apology**
  - **Daily check in**
  - **Increased testing ,court hearings or PO meeting**
  - **Fines**
  - **Daily written schedule**
  - **Immediate detention**
  - **Separate seating in Court**
  - **Verbal reprimand**
  - **Essay on a topic related to the violation**
  - **Community Service**
  - **More restricted curfew**

GRADUATION

- Upon graduation from the program the participant will receive;
  - a graduation ceremony;
  - a graduation certificate; and
  - the opportunity to tell their story in court with friends and family present
- Important community members, such as Wright County Commissioners, may be invited to attend and speak at the graduation ceremony.

- Upon successful completion of the WCADC program the participant will receive:
  - Misdemeanor sentence
  - Shorter Probation
  - No jail time, or
  - No prison time

Changing Lives

PRESS RELEASE

Historic agreement reached on Minnesota drug sentencing reform

Law enforcement, criminal defense attorneys propose new laws for drug crimes

Saint Paul—In an historic agreement announced today, the Minnesota County Attorneys Association (MCAA), Minnesota State Public Defender's Office, Minnesota Association of Criminal Defense Lawyers, U.S. Justice Action Network, Minnesota Chiefs of Police Association, Minnesota Sheriffs Association and the Minnesota Police and Peace Officers Association have united behind a proposal to reform Minnesota's drug sentencing laws and improve public safety.

Minnesota's current drug sentencing laws fail to appropriately distinguish between nonviolent drug offenders motivated by addiction and dangerous offenders motivated by greed, and this failure has resulted in inconsistent sentencing practices across the state.

This proposal goes beyond the 2016 recommendations of the Minnesota Sentencing Guidelines Commission by reducing sentences for low-level, non-violent drug offenders, while continuing to hold the most serious, violent drug dealers accountable for their crimes. If the Minnesota legislature does not act to reform drug sentencing laws this session, the Commission's recommendations will go into effect on August 1st.

"Reaching agreement with our law enforcement partners and defense interests on critical drug reform measures was our Association's top legislative priority this session," said Mark Ostrem, MCAA President. "As Ramsey County Attorney John Choi and Dakota County Attorney James Backstrom reinforced this morning, we plan to keep our sleeves rolled up to ensure it passes this session."

"Our top priority in moving drug sentencing reform forward was to ensure the public's safety in our state by sending a message to the people who are choosing to sell drugs in our community: no deals for drug dealers," said Chief Jeff Potts, Bloomington Police Chief. "This legislation accomplishes that mission while advancing common sense reforms to help those who are suffering from drug addiction."

Recent polling has shown strong, bipartisan, support for drug sentencing reform—fully 79% of likely voters in Minnesota have said they support comprehensive criminal justice reform. Minnesotans agree that there are too many people in prison, and we should be focused not

on punishing drug addicts and the mentally ill, but on locking up hardened, violent criminals who sell drugs.

"There are too many people in Minnesota's prisons who are in desperate need of drug treatment," said Bill Ward, State Public Defender for Minnesota. "This proposal will help people who are addicted to drugs get the help they need, instead of long prison sentences."

The proposal set forth by Minnesota's law enforcement and criminal defense associations guarantees that the most dangerous drug dealers will go to prison for a significant amount of time—there are no breaks for serious criminals. The proposal also allows more flexibility in sentencing and less prison time for low-level, nonviolent drug offenders who primarily need treatment to help fight addiction.
"Greater Minnesota is not immune to the devastation that drugs inflict on individuals and on our local communities," said Cass County Attorney Chris Strandlie. "This agreement holds the drug dealers who are driving this problem accountable while allowing for treatment options for those who suffer from addiction."

Key provisions of the revised proposal include:

- **Protects public safety by strengthening sentences for the most serious drug offenders in our state.** It strikes an appropriate balance in our drug sentencing structure by guaranteeing that the most dangerous drug dealers will go to prison for a significant amount of time — there will be no breaks for serious criminals.

- **Provides more flexibility in sentencing and less prison time for lower-level, non-violent drug offenders**, allowing these chemically addicted individuals the opportunity to obtain the treatment they need to overcome their addictions. Many of these offenders would become eligible for drug court programs.

- **Secures savings of prison beds for low-level, non-violent drug offenders** to help address the serious overcrowding in our system and allow more resources to be directed to much-needed community programs aimed at prevention and treatment of chemical addiction, including the funding of drug courts.

- **Eliminates mandatory minimum sentences for lower level, non-violent offenders** based on prior 3rd, 4th, and 5th degree drug convictions. [Prior 1st and 2nd degree convictions within 10 years would still trigger the mandatory minimum for a subsequent conviction of a 1st and 2nd degree drug crime of 48 months for a 1st degree conviction and 36 months for a 2nd degree conviction (which is the same as in current law)].

- **Reduces severity of penalties for first time low-level drug possessors of a "small amount"** of controlled substances from a felony to a gross misdemeanor. A second or subsequent 5th degree controlled substance possession crime would be a felony. For purposes of this provision, "small amount" will be defined as possession or sale of less than .25 grams of any controlled substance other than heroin; less than .05 gram for heroin; and 1 dosage unit or less of any controlled substance possessed or sold by dosage units rather than grams (e.g., LSD, Ecstasy, prescription pills, etc.).

Statement from Holly Harris, Executive Director, U.S. Justice Action Network:
"Today's announcement brings together law enforcement allies supportive of reform who are committed to keeping our communities safe. These leaders recognize that locking up individuals who have committed low-level drug offenses is not always the answer. We would like to thank the bipartisan leaders in the Minnesota legislature, Sen. Latz and Rep. Cornish, for their efforts to pursue commonsense reforms that will save money and provide better outcomes. With an overwhelming majority of Minnesotans supporting these reforms and law enforcement leading the way, we feel confident the state legislature will embrace this legislation and pass it swiftly through to the Governor's desk."

COMMENTS:

RESOLUTION ADOPTING A ZONING ORDINANCE INSTITUTING AN EMERGENCY MORATORIUM ON SOLAR ENERGY FARMS.

Whereas, the Wright County Zoning Ordinance contains standards for the issuance of a conditional use permit for Solar Energy Farms; and

Whereas, the Office of Planning and Zoning has been accepting a number of applications related to the creation of Solar Energy Farms and this has resulting in a number of comments being made by townships, cities, and members of the general public; and

Whereas, the Office of Planning and Zoning and the Wright County Planning Commission are under great development pressure with applications related to Solar Energy Farms; and

Whereas, the Wright County Board of Commissioners has been reviewing the Wright County Zoning Ordinance with respect to Solar Energy Farms and changes may be necessary to protect public health, safety, and general welfare; and

Whereas, pursuant to Minnesota Statute § 394.34, the Wright County Board of Commissioners adopted a temporary interim zoning ordinance instituting a moratorium on the processing of any future applications to allow time to classify and regulate uses and related matters and to determine whether a proposed ordinance amendments should be adopted and implemented to protect the public health, safety and general welfare; and

Whereas, notice was published and a public hearings was conducted on a long term moratorium not to exceed one year; and

Whereas, the Wright County Board of Commissioners finds:

1. An emergency zoning ordinance instituting a moratorium prohibiting further Solar Energy Farms is necessary in order to hold discussions and hearings to determine whether a longer term moratorium zoning ordinance shall be adopted and implemented, to protect the public health, safety, and general welfare of the residents of Wright County.

2. An emergency exists because based on the recent development pressure as well the comments received from the community, the townships, and the cities, the Wright County Zoning Ordinance does not afford the protection needed to ensure that the residents of Wright County are not adversely affected.

3. It is in the interests of public health, safety, and the general welfare to impose a moratorium for a period not to exceed twelve months.

NOW THEREFORE BE IT RESOLVED, by the Wright County Board of

Commissioners, that this resolution adopting an emergency zoning ordinance instituting a twelve month moratorium on approval and acceptance of applications for Solar Energy Farms shall become effective immediately upon its passage and publication and shall remain in effect for a period not to exceed twelve months; and

BE IT FURTHER RESOLVED, that the Wright County Office of Planning and Zoning is directed to administratively deny any applications during the period in which this interim ordinance is in effect; and

FINALLY, BE IT FURTHER RESOLVED, that the Wright County Office of Planning and Zoning shall schedule, publish, and notice public hearings as necessary for the purpose of studying and drafting proposed amendments and changes to the Wright County Solar Ordinance and that a final hearing on any proposed changes or amendments shall be held within twelve months.

MEMORANDUM

TO: Wright County Board and Staff
c/o Sean Riley and Greg Kryzer

FROM: Wright-Hennepin Cooperative Electric Association

DATE: May 5, 2016

RE: Wright County Solar Moratorium
Request for Clarification and Limitation on Scope of Proposed Moratorium

Wright County has adopted an Emergency Interim Zoning Ordinance imposing an interim moratorium on Solar Energy Farms pending further proceedings to consider whether an ordinance should be adopted to impose a longer term moratorium in order for the County to consider potential changes to current zoning ordinances. A public hearing on the matter is scheduled for May 10, 2016. Please consider this Memorandum a request by Wright-Hennepin Cooperative Electric Association ("WH") for an adjustment to the scope of any moratorium enacted.

Discussions since the Emergency Ordinance was adopted identify that the scope of the moratorium may be overly broad. An unintended consequence of a longer term moratorium on the processing of any future applications for Solar Energy Farms without regard to size or scale of a project may restrict projects which, by their nature, do not have the risk of adversely impacting the public health, safety or welfare of the citizens of Wright County. Small scale Solar Energy Farms, unlike large tract Solar Energy Farms, are compatible with the zoning and official controls presently in place for issuance of a conditional use permit. More specifically, the current zoning controls afford a necessary level of protection to ensure the Wright County residents are adequately protected. Hence, for projects within a certain identified size and scale, a moratorium is not necessary and applications should continue under present ordinances, without delay. This result is consistent with the apparent policy of the State of Minnesota to encourage solar energy development, while protecting the citizens of Wright County from large tract solar developments.

To address concerns that the potential moratorium on Solar Energy Farms for a one-year period may be more broad than reasonably necessary, WH respectfully requests that any moratorium enacted should extend only to larger scale Solar Energy Farms, meaning applications for those projects which are smaller scale, and which by their circumstances or nature are limited in scope, may continue to be processed. The moratorium would not be imposed on applications for any one Solar Energy Farm project which falls within the following parameters, and comprises a small scale Solar Energy Farm:

- Are located on one or more sites which, individually or in the aggregate as part of the project within the application, do not exceed 15 acres;
- Have an anticipated production capacity, in the aggregate as part of the project within the application, not exceeding 3MW;
- Are located within 1,200 feet of interconnection to existing distribution facilities, and do not involve extensive utility infrastructure improvements such as above ground lines and poles; and
- Do not involve clearing or cutting of woodland in excess of 5 acres in the aggregate.

Small scale Solar Energy farms falling with the above parameters would not be affected by the moratorium, on the grounds that such projects are adequately regulated by current controls and do not have the prospects for adversely impact the public health, safety or welfare of the citizens of Wright County. WH thanks you for your consideration.

Wright County Board of Commissioners
Attn: Commissioner Pat Sawatzke

Dear Commissioner,

I noticed the news regarding solar development in Wright County and am writing to share information relevant to your ongoing discussions. Specifically:

- Information related to enabling more local control for these sites
- Information related to the benefits of solar sites in agricultural environments

Enabling More Local Control
A strong alternative to a county-wide moratorium would be a system that can help to separate projects into those with local support and those without local support. It is already in place in some counties — they specifically request a letter from the Township Board regarding a conditional use permit. This system allows staff and commissioners to readily identify which projects have made the investment to hear and address local concerns well in advance.

For example, conditional use permits in Trempealeau County, Wisconsin have three components — the application, a Town Board letter, and the correct fee (See PDF, http://bit.ly/TownLetter).

With regard to Wright County commission's consideration of a process to handle solar projects, separating projects that have a local letter of support, from those that do not, would show that the county is "open for business" while also addressing the local concerns.

Building Ground-Mounted Solar in Agricultural Communities
When built correctly, solar sites can provide significant benefits to agricultural lands and economies. Specifically, solar sites with native plants under and around the panels improve soils, capture storm water, and increase pollination in nearby crops.

- Soil Benefits
  Native plants improve the soil with organic matter over the 20 to 30-year life the project,

allowing microorganisms and soil fauna to recover after years of intensive compaction, pesticide and fertilizer application.

- Water Benefits
  In 2008, the U.S. Geological Survey completed a five-year storm water study in cooperation with a consortium of 19 cities and towns in the area of Madison, Wisconsin that revealed "striking differences between turf and prairie vegetation." The study found "prairie vegetation had greater median infiltration rates than those with turf grass," and roots in the prairie vegetation plot were "found to a depth of 4.7 feet compared with 0.46 feet in the turf."

- Crop Benefits
  Research published in the journal *Ecology and Evolution* found "the abundance and diversity of pollinating species visiting crops are positively correlated with the availability of seminatural habitat nearby." Also, the MN Department of Agriculture notes in its campaign to promote pollinator habitat that one-third of our food production requires pollinators, as does livestock forage, and most wild plants that produce seeds.

With the support of organizations including the Minnesota Corn Growers Association and Minnesota Honey Producers Association, a bipartisan group of legislators are considering a voluntary standard for solar site management (H.F. 3353) that, when used, would provide these benefits. You may note from speaking to developers or reviewing their applications that the use of native vegetation plantings on solar sites is starting to predominate Minnesota's solar industry.

Fresh Energy is a 501(c)3 non-profit and non-partisan organization that works on energy issues in the public interest. We are happy to be of service to the Board as you consider energy issues.

Dear Mr Riley,
Please do not impose a moratorium on solar projects in Wright County.

Solar energy is a viable clean energy source. It provides incidental benefits such as stormwater management and habitat for native plant and animal species.

Thank you for your consideration of the benefits of solar to Wright County.
Sincerely,

Please please do not put a moratorium on solar development in Wright Co because we so desperately need alternative energy production *and* habitat for pollinators. We are at a critical time for pollinators, and I do not mean merely honey bees and monarchs (honey bees are not native species). I mean all the native pollinators that are responsible for a good share of food production and holding our natural ecosystems together - native pollinators, be they beetles, moths, flies, solitary and social bumble bees, wasps, or butterflies, birds and bats, are the glue that sustains our wild places, such as prairie remnants, forests, meadows, or wetlands. When they decline so there are no longer viable populations, our environments will decline faster than you can imagine.

Please do not put moratoriums on solar.

Thank you.

Dear Mr. Riley,

I was distressed to learn from the StarTribune that our Wright County Commissioners are considering a moratorium on solar energy development in our county. I'm hoping that you might convey my strong disagreement with such a position.

We should be leading the way in creatively enabling our citizens to convert to sustainable energy. Just two of the project sites being developed in Wright county (75 acres + 37 acres) will provide land equivalent to one of every two Wright County residents having a 6'x12' pollinator garden. (67,648 gardens for 124,000 residents)

Wright County has 302,438 acres of farmland — even if 1,000 acres of solar projects are built in the county, that would be 0.03 percent of the row crops. In no way is it reasonable to frame solar energy as an antagonist of our agricultural base.

Please do not obstruct or slow the progress that is necessary for our future. Instead, demonstrate courage and lead us.

Very sincerely,
Ann Burns

Dear Sean,

I heard this morning in the *Star Tribune* that Wright County Commissioners are considering a moratorium on solar projects.

Solar projects have a huge opportunity to support pollinators by creating habitat on their land for bees, monarch butterflies and other pollinators. Just two of the project sites being developed in Wright county (75 acres + 37 acres) will provide **land equivalent to one of every two Wright County residents building a 6'x12' pollinator garden**. (67,648 gardens for 124,000 residents).

Solar sites can provide significant benefits to agricultural lands — soil benefits, crop benefits, and storm water benefits. Wright County has 302,438 acres of farmland. Even if 1,000 acres of solar projects are built in the county, that would be 0.03 percent.

As the *SC Times* noted — not one person testified in support of a moratorium that was discussed in neighboring Stearns county.

I firmly oppose this moratorium, as a Minnesotan concerned about our dependency on fossil fuels and the dramatic decline in our water quality and pollinator health. Please keep us moving forward on a path to clean energy and a healthy economy by supporting solar development, and do not allow this moratorium to happen.
