**RESOLUTION ADOPTING AN EMERGENCY INTERIM ZONING ORDINANCE INSTITUTING AN EMERGENCY MORATORIUM ON SOLAR ENERGY FARMS**

Whereas, the Wright County Zoning Ordinance contains standards for the issuance of a conditional use permit for Solar Energy Farms; and

Whereas, the Office of Planning and Zoning has been accepting a number of applications related to the creation of Solar Energy Farms and this has resulting in a number of comments being made by townships, cities, and members of the general public; and

Whereas, the Office of Planning and Zoning and the Wright County Planning Commission are under great development pressure with applications related to Solar Energy Farms; and

Whereas, the Wright County Board of Commissioners has been reviewing the Wright County Zoning Ordinance with respect to Solar Energy Farms and changes may be necessary to protect public health, safety, and general welfare; and

Whereas, pursuant to Minnesota Statute § 394.34, the Wright County Board of Commissioners may vote to adopt a temporary interim zoning ordinance instituting a moratorium on the processing of any future applications to allow time to classify and regulate uses and related matters and to determine whether a proposed ordinance amendments should be adopted and implemented to protect the public health, safety and general welfare; and

Whereas, an emergency situation exists and a temporary emergency moratorium is necessary to protect public health, safety, and general welfare until public hearings can be conducted on a longer term moratorium; and

Whereas, the Wright County Board of Commissioners finds:

1. A temporary emergency zoning ordinance instituting a moratorium prohibiting further Solar Energy Farms is necessary in order to hold discussions and hearings to determine whether a longer term moratorium zoning ordinance shall be adopted and implemented, to protect the public health, safety, and general welfare of the residents of Wright County.
2. An emergency exists because based on the recent development pressure as well the comments received from the community, the townships, and the cities, the Wright County Zoning Ordinance does not afford the protection needed to ensure that the residents of Wright County are not adversely affected.
3. It is in the interests of public health, safety, and the general welfare to impose a temporary moratorium until a public hearing can be noticed and published pursuant to Minn. Stat. § 375.51.

NOW THEREFORE BE IT RESOLVED, by the Wright County Board of Commissioners, that this resolution adopting an emergency temporary zoning ordinance instituting a temporary moratorium on approval and acceptance of applications for Solar Energy Farms shall become effective immediately upon its passage and publication and shall remain in effect until such time as a public hearing is conducted pursuant to Minn. Stat. § 375.51; and

BE IT FURTHER RESOLVED, that the Wright County Office of Planning and Zoning is directed to administratively deny any applications during the period in which this interim ordinance is in effect; and

FINALLY, BE IT FURTHER RESOLVED, that the Wright County Office of Planning and Zoning shall schedule, publish, and notice a public hearing before the Wright County Board of Commissions, during a regularly scheduled meeting, as soon as is permitted under the time considerations and requirements of Minnesota Statute § 375.51 for the purpose of considering an interim zoning ordinance moratorium which shall not exceed twelve months.
