

The Minnesota Legislature provides Natural Resources Block Grant (NRBG) funds to delegated counties to implement state feedlot regulations. The grant amount is primarily based on the number of registered feedlots in each county.

The 2013 NRBG Wright County Summary and 2013 Annual County Feedlot Officer and Performance Credit Report show the amount and kind of work that was done as well as the cost to perform the work.

The Wright County Feedlot Program Administrator should be contacted if there is interest in additional details.
