

Family Day Care Travel and Activity Authorization

I give permission for my/our child, _____, age _____, to leave the family day care home for travel in a car or public transportation for any reason. Conditions under which children are transported are described under the Provider Polices.

I give permission for my/our child, _____, age _____, to walk to and/or participate in activities geared for my/our child, but away from the day care home under the supervision of a provider or adult helper. My provider will inform me in advance of field trips beyond the immediate neighborhood.

I give permission for my/our school-age child, _____, to participate in _____ (name of activity), outside the residence. I understand that my/our child will not be under the direct supervision of the day care provider, substitute, or helper. I understand that the day care provider is still required to be available for assistance and care so that my/our child's health and safety is protected.
