Join us at the Wright County Long Range Transportation Plan Open House - February 21, 2019!

Wright County is hosting their second, and final, open house for the Long Range Transportation Plan on Thursday, February 21. Stop by to hear about outcomes from the planning process that has been ongoing for the past several months and share your input regarding materials available that afternoon/evening. Staff from the plan development team will be available to answer questions. The open house is a drop-in style, informal format. There will not be a formal presentation. Arrive at any time during the event.

If you can't make it in person, visit www.wrightcountylrtp.com, where the Open House materials will be provided for viewing immediately prior to, and following the in-person meeting.

The team looks forward to meeting with you and hearing your thoughts!

The meeting location is ADA-accessible, and information is available in alternative formats upon request. Accommodations will be provided to persons with disabilities. To request an accommodation to participate in the meeting, please contact Chad Hausmann at (763) 682-7387 or chad.hausmann@co.wright.mn.us.
