Wright County Recorder's Office – Social Distancing Options

We will continue offering services with no contact as shown below. We are offering these same services by Appointment Only. [Please contact our office to set up an appointment.](#)

Land Record Search Options: Landshark provides searching options available to the public and accessibility to download documents pertaining to real estate, if needed. Go to the following [website](#) for more information and to create your own username and password. You can search for free, but fees will be incurred if you want to view a document.

Public Access area available by Appointment Only: Historical records and genealogy research.

Recording Documents: If the public has real estate documents, they need recorded in our office they can either submit electronically, drop box or mail in their documents along with a check payable to the Wright County Recorder's office. Please visit our [website](#) for more information on recording documents.

Marriage Certificates: Marriage Certificate requests can be submitted and paid for on our [website](#). Go to [MOMS® Minnesota Official Marriage System](#) to locate your Marriage Certificate. If the Marriage Certificate was issued in Wright County, you can submit your request electronically through MOMS®. Mail check or pay on our [website](#) with credit card referencing certificate number.

Marriage License and Application (Appointment ONLY):

Applying for a marriage license must be completed electronically through our [website](#). Bring check to appointment or pay on our [website](#) with credit card referencing applicant name.

Licenses applied for at the Recorder's office will be issued immediately to the applicants and the marriage may occur on the same day of issuance. The license is valid for six months from the date of purchase. Please see our [website](#) for more detailed information on requirements.

Issuance of the Marriage License can only be done at the county and both parties must be present before the license will be issued.

Credentials of License or Ordination: Certificate of Filing form is available for download on our [website](#). Apply by mail, drop box or fax your request to our office at 763-684-4558. The form will need to be signed and NOTARIZED. Mail check or pay on our [website](#) with credit card referencing ordained person.

Birth Certificates: Tangible Interest Form is available for download on our [website](#) located under related forms. Apply by mail, drop box or fax your request to our office at 763-684-4558. The form will need to be signed and NOTARIZED. Mail checks or pay on our [website](#) with credit card referencing last name of subject.

Death Certificates: Tangible Interest Form is available for download on our [website](#) located under related forms. Apply by mail, drop box or fax your request to our office at 763-684-4558. The form will need to be signed and NOTARIZED. Mail checks or pay on our [website](#) with credit card referencing last name of decedent.

Passport Photos: **This service is not available currently.** If the public needs a passport photo there are other locations that provide this service throughout the county.
