CSAH 12 Construction Update

NEWSLETTER

June 26, 2015

Work on County State Aid Highway (CSAH) 12 has been progressing between CR 138 & CR 113. A majority of this segment has a two-foot layer of sand in place. Work on the soil correction area (north of the tree farm) has also begun with the placement of reinforcement fabric and sand.

The Contractor will continue to construct road grade from just south of CR 113 toward the north project limits at CSAH 37 and will continue to add layers of sand to surcharge areas.

Please use caution around equipment and THANK YOU in advance for keeping children and pets away from the work zone.

Work on building road grade from Hwy 55 to just north of CR 138 is anticipated to begin around mid to late July, weather permitting. During this phase of the work, vehicle traffic will not be allowed to cross Highway 12 at the intersection of CR 138 (the all-way stop).

The Wright County Highway Department greatly appreciates your patience during construction on this important improvement project. Questions or comments regarding this project can be directed to the proper individuals by calling the Wright County Public Works Building @ 763-682-7383 or toll free @ 800-362-3667 (ask for the Public Works Department). Business hours are Monday through Friday, 8:00 a.m. to 4:30 p.m.
