Highway Engineer

CHAD HAUSMANN, P.E.
Assistant Highway Engineer

STEVE MEYER
Maintenance
Superintendent

MARK JOHNSON
Right-of-Way Agent

CSAH 12 Construction Update

NEWSLETTER

July 23, 2015

Work on the south end of the project from Hwy 55 to just north of CR 138 is scheduled to begin Monday, July 27, weather permitting, with the removal of the existing pavement (estimated to last about 2 days). Culvert placement and removal of the in place road core will follow the milling process. It is estimated that the work on the south end will be completed in about two months, weather permitting.

During this phase of the work, vehicle traffic traveling on CR 138 will not be allowed to cross CSAH12 at the CR 138 intersection (electronic message boards will be placed on CR 138 to inform the public of this closure). The Contractor will continue construction of the new roadbed on the north part of the project up to CSAH 37.

Please use caution around equipment and THANK YOU in advance for keeping children and pets away from the work zone.

The Wright County Highway Department greatly appreciates your patience during construction on this important improvement project. Questions or comments regarding this project can be directed to the proper individuals by calling the Wright County Public Works Building @ 763-682-7383 or toll free @ 800-362-3667 (ask for the Public Works Department). Business hours are Monday through Friday, 8:00 a.m. to 4:30 p.m.
